OPERATING INSTRUCTIONS

KEEP ALL PLASTIC AND WIRE PARTS AWAY FROM CHILDREN.

1. Carefully remove and discard "Try Me" wire and "Pull Tab". Retailer may have already removed "Pull Tab" from battery compartment for in-store demonstration. Please retain card for future reference.
2. Use a small Phillips/crosshead screwdriver to open the battery compartment located on back of item.
3. Place 3 brand new "AA" alkaline batteries into the battery compartment and replace cover.
4. Place the power switch, located on back of item, to the "ON" position to operate the item in SOUND AND MOTION activation mode. Make a loud sound (clap) or wave your hand in front of the WEDNESDAY 14-IN THING RADIO BLUETOOTH® decoration to activate the haunting sequence!
5. Or, place the switch to the BLUETOOTH® position to play your own music or playlist over the device. Locate the name THING BT RADIO on your phone or other Bluetooth® device to stream your very own sounds with LED lights and animation!

NOTE: Keep switch in the "OFF" position when not in use.

WARNING: CHOKING HAZARD

Small parts. This item is not a toy. For decoration purposes only.
This product is intended for use by persons 15 years of age and older.
Not intended for use by children 14 years of age and younger.
Please retain this information for future reference.

BATTERY INSTRUCTION AND CAUTIONS

1. Contains (3) AA 1.5-volt alkaline batteries. Batteries are not rechargeable.
2. Battery installation and removal should be performed by an adult. Batteries are harmful if swallowed. Keep away from young children.
3. Remove batteries when not in use.
4. Use only batteries recommended in the instructions.
5. Do not mix new and used batteries.
6. Do not mix alkaline, carbon-zinc, nickel-cadmium, rechargeable or different types of batteries.
7. Be mindful to insert batteries with the correct polarity (+/-) as indicated.
8. Remove all exhausted batteries.
9. Rechargeable batteries are only to be charged under adult supervision.
10. Rechargeable batteries are to be removed from the item before being charged.
11. Non-rechargeable batteries are not to be recharged.
12. The supply terminals are not to be short-circuited.
13. Always dispose of exhausted batteries properly.
14. DO NOT dispose of batteries in fire, they may leak or explode.

FCC ID 2AAAI-REAPER-BAND

FCC STATEMENT

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

This device must not be co-located or operating in conjunction with any other antenna or transmitter. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by

turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC ID: 2AAAI-REAPER-BAND

To comply with FCC's RF radiation exposure limits for general population/uncontrolled exposure, this device must be installed to provide a separation distance of at least 20cm from all persons.

WARNING: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
